Overview

Justin Nelson is the go-to lawyer for high-stakes litigation. Justin's practice centers on taking cases to trial, arguing key motions leading up to trial or the appeal, and positioning the case for victory. He brings an unparalleled combination of trial and appellate excellence.

Most recently, Justin represented Dominion Voting Systems in its litigation against Fox, culminating in a \$787.5 million settlement—an amount that represented “vindication and accountability,” as Justin stated. Watch the video [here](#).

“

“Justin Nelson has always had a reputation as a ‘go to’ lawyer in high stakes litigation but his major win in the defamation claim against Fox News has just elevated the ‘go to’ to ‘must have.’”

The Court in *Dominion v. Fox* publicly noted at the time of the settlement that “this is the best lawyering I’ve had, ever.” Justin took the deposition of Rupert Murdoch, among other key witnesses. A CNN legal commentator stated about that deposition: “I’ve never seen anything like these admissions. This is one of the most damaging depositions I’ve ever seen in my thirty years practicing law.”

Among other cases, Justin was lead counsel for Green Mountain when it obtained a \$64.5 million judgment against Ardagh in the Federal District Court of Delaware—a verdict upheld on appeal and was included on *National Law Journal’s* Top 100 Verdicts of the Year list.

Justin won a \$38 million judgment for repeat client, Fractus, (a case that later settled on appeal) and has led a strategy that has resulted in Fractus recovering over \$100 million.

HIGH PROFILE LITIGATION

Dominion v. Fox was one of a number of high-profile cases for Mr. Nelson. In *Dominion v. Fox*, the summary judgment briefing in the case earned widespread praise from the legal community and the broader public alike. Justin also represented a number of plaintiffs against a major car rental company that resulted in victories in court and ultimately a settlement.

In 2020, Justin represented various governmental actors regarding the 2020 election. His clients included entities with both Republican and Democratic control. Among his clients, Justin represented the Arizona Secretary of State in *Bowyer v. Ducey* and argued the successful motion to dismiss regarding the false allegations of election fraud. Justin also successfully represented the Governor of Wisconsin in a series of litigations related to the 2020 election. Justin also represents numerous non-fiction authors in a proposed class action against OpenAI and Microsoft.

RECOGNITION

The legal industry has taken note of Justin's litigation talents. In 2010, *American Lawyer* wrote about how Justin fought off efforts from large banks to ram through a plan that would have disadvantaged individuals in the multi-billion Washington Mutual bankruptcy. He's also repeatedly been named a "Super Lawyer" by Thomson Reuters, among other recognitions.

BACKGROUND & COMMITMENT TO THE LEGAL INDUSTRY

Justin is a former law clerk to Justice Sandra Day O'Connor at the United States Supreme Court and for Judge J. Harvie Wilkinson, United States Court of Appeals for the Fourth Circuit. Justin has represented various parties as amici in the Supreme Court of the United States, in cases ranging from intellectual property to antitrust to election law. He has practiced First Amendment law on behalf of various media companies.

Justin also has taught Advanced Constitutional Law on the Law of the Political Process and has served as the Chair of the Economics of the Profession Committee in the American Bar Association's Intellectual Property Division. He is a Fellow of the American Bar Association and the Texas Bar Association. Justin also currently teaches *Legislation & Statutory Interpretation* as an adjunct professor at The University of Texas School of Law, a class that covers a wide range of issues from public policy to statutes to criminal law to Constitutional law and the First Amendment.

In addition to his legal writings, Justin's article on Lyndon Johnson's role at the 1968 Democratic Convention appeared in the *Presidential Studies Quarterly*.

Justin is a member of Susman Godfrey's Executive Committee.

Notable Representations

Representative Matters

- ***Dominion v. Fox***. Justin represented Dominion in the Dominion v. Fox litigation, a case that received widespread attention and resulted in a historic \$787.5 million settlement.

- **Election Litigation** Working pro bono on election-related litigation, Justin successfully represented various governmental actors in a non-partisan capacity during the 2020 election. His clients included those controlled by Republicans and Democrats. As Susman Godfrey lead counsel, his representations included the Arizona Secretary of State and the Wisconsin Governor in litigation defending the integrity of the 2020 election. These cases generated a significant amount of attention because the rulings—including in a case that Justin argued—made clear that the rule of law would prevail.
- **Green Mountain Glass LLC and Culchrome LLC v. Saint-Gobain Containers, Inc., d.b.a Verallia North America.** Served as lead counsel to Green Mountain Glass LLC in a patent infringement matter that spanned three years. A federal jury in Wilmington, Delaware awarded Green Mountain Glass more than \$50.3 million in its lawsuit against Ardagh Glass, Inc. The jury found Ardagh, formerly known as Saint-Gobain Containers, willfully infringed Green Mountain's patent No. 5,718,737 for technology that allows glass manufacturers to use recycled glass of mixed colors. Click [here](#) for more on the case or click [here](#) to read Law360's feature on the case in their "How They Won It" series.
- **Equity Committee of Washington Mutual.** Representing the Equity Committee, Justin helped the equity holders in Washington Mutual receive stock in the re-emerged company and a substantial role in the Liquidation Trust. In confirming the plan, the bankruptcy judge stated: "*I think the equity committee has really, really done a great job in getting a recovery for its constituents.*" *American Lawyer* awarded Justin "[Litigator of the Week](#)" for his work on the case.
- **Fractus v. Samsung et al.** Served as co-lead counsel in a patent case involving antennas for mobile phones. In addition to running the case on a daily basis and examining key witnesses, Justin argued case-dispositive matters such as Markman and summary judgment. Before trial, Fractus reached licenses with all the original Defendants except for Samsung. These licenses resulted in agreements worth over \$100 million in total. During trial against Samsung, Justin presented and cross-examined key witnesses such as one of the inventors of the patents-in-suit; Fractus's technical expert; Samsung's lead engineer; and Samsung's damages expert. The trial resulted in a \$23 million jury verdict for his client Fractus against Samsung, and a \$38 million judgment. The case was settled after Justin's appellate argument.
- **In re Stewart.** Represented a family member who had been excluded from a large estate. Justin prevailed against the Estate's Motion to Dismiss and invalidated the in terrorem clauses in the will and trust. In addition, he successfully argued that the trial court that Arizona should recognize a claim of tortious interference with inheritance, becoming the first court in the state to do so. Soon after the court ruled in favor of Justin's client, the case settled.

He has taken on industry leaders such as the country's biggest insurers, major media and technology companies, and international wireless carriers in courts across the United States. Nath has handled disputes in an array of practice areas, including insurance, copyright, patent, breach-of-contract, and real estate.

In *37 Besen Parkway LLC v. John Hancock Life Insurance Co*, Nath was a significant part of a team of Susman Godfrey lawyers that secured a settlement of \$91.25 million (before fees and expenses) for a certified class of insurance policy owners against John Hancock Life Insurance Company. In the final approval order, Judge Paul Gardephe described the settlement as a "quite extraordinary . . . result achieved on behalf of the class." You can read more about the case [here](#) (subscription required).

Nath is currently prosecuting similar class actions against a number of other insurance companies, including Equitable, Voya Retirement & Annuity Company, and ReliaStar Life Insurance Company. More information on the Voya class action, which was certified in 2019, can be found [here](#).

On the defense side, Nath was hired by Lighting Science Group Corporation after it was sued by its former patent broker. Serving as lead counsel for Lighting Science, Nath successfully compelled arbitration, took and defended key depositions, and briefed and argued critical motions. The parties reached a confidential settlement on the eve of the plenary arbitration hearing.

In addition to the cases above, Nath also:

- Represents a putative class of professors and textbook authors in a lawsuit against one of the world's largest textbook publishers, Cengage

Learning, related to underpayment of royalties for electronic textbook offerings.

- Represents Flo & Eddie—the founding members of the 70's music group, the Turtles—against Pandora and SiriusXM in litigation concerning the unlicensed use of pre-1972 sound recordings.
- Represents SAJE and ACCE Action, two tenant advocacy groups, as proposed intervenors to help defend the City of Los Angeles's eviction and rent-freeze ordinances enacted in the wake of the COVID-19 pandemic.

Nath is active in the Los Angeles legal community. He received a Public Counsel Pro Bono award for his legal work to help the troubled LA housing situation. The Daily Journal and Law360 also profiled Nath and his colleagues for their significant pro bono work in this area. He is a longtime board member of the South Asian Bar Association of Southern California and served as co-president during the 2021-2022 term. Nath is also a member of the Executive Committee of the Litigation Section of the Los Angeles County Bar Association.

Nath joined Susman Godfrey after working as a trial attorney at the U.S. Department of Justice and as a law clerk on the U.S. Court of Appeals for the Ninth Circuit. He graduated with high honors from The University of Chicago Law School, where he served as editor-in-chief of *The University of Chicago Law Review*. Before law school, he taught eighth-grade math in Oklahoma as a Teach for America corps member.

Ms. Salinas served on a trial team that won a \$37.5 million verdict for Atlas Global Technologies in its patent infringement case against Chinese telecom equipment manufacturer TP-Link. A Texas jury issued the verdict against TP-Link for infringing five patents for wireless routers that meet an industry standard known as “WiFi 6,” which was developed to provide fast, efficient internet connections for high-density locations such as offices, shopping malls and apartment buildings. Following a five-day trial (where Ms. Salinas was praised for her presentation of her client and her team’s damages expert) and just a few hours of deliberations, the jury determined TP-Link owes Atlas \$37,481,264 in damages.

Ms. Salinas previously secured a \$42.75 million settlement for oil and gas non-operator, Mirada Energy, in its breach of contract case against Oasis Petroleum. For retail marketing firm, Insignia Systems, in its antitrust case against News Corporation and its subsidiary, NAM, Ms. Salinas secured a \$20 million settlement in the District of Minnesota.

Ms. Salinas has been recognized as one of the best young lawyers in America by Lawdragon, a Texas Rising Star by Thomas Reuters Super Lawyer, and a Top Women in Law in Houston by the National Diversity Council.

Ms. Salinas also has significant pro bono experience, including defending Harris County Judge Lina Hidalgo against a partisan election challenge (Texas Tribune), working with the ACLU to secure a settlement with Magnolia ISD to eliminate its discriminatory hair policy (Houston Chronicle), co-drafting a Supreme Court amicus brief on political gerrymandering, and successfully arguing an immigration case before the 9th circuit whereby the client was able to remain in the county.

Before joining the firm, Ms. Salinas was a surrogate for President Barack Obama and the youngest member of the Democratic National Committee's Executive Committee. She delivered a nationally televised speech on the final night of the 2012 Democratic National Convention, addressed embassies around the world, and was interviewed by CNN, Univision, Telemundo, NPR, PBS, and USA Today.
